

THANKS FOR PLAYING!

We are excited for you to enjoy Youth Bureau-related programs with this activity card!

Here's how to help us celebrate the Youth Bureau's 75th Anniversary and make the most of the activities:

1. Participate in any of the activities on the card, marking off each activity that you complete. The IYB logo in the center is a free space. A Bingo counts as participating in all the activities on one line (horizontal, vertical, or diagonal).*
2. Turn your card in to the Youth Bureau Front Office (1 James L Gibbs Dr., Ithaca, 14850) by the end of the month to win a prize and be entered into a raffle to win more great prizes!
3. Download the card next month and play again!

IPLAY Bingo will take place each month May-August. Visit ithacayouthbureau.org/75th-anniversary to download a new card on the first of each month.

When you're out participating in the activities, please take photos and tag @ithacayouthbureau or use #iyb75

**While we love your enthusiasm for doing all the activities, extra entries for drawings will not be given for multiple bingos or a blackout.*
